## A BILL

To prevent a fiscal crisis by enacting legislation to balance the Federal budget through reductions of discretionary and mandatory spending.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

**3 SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “One Percent Spending  
5 Reduction Act of 2016”.

**6 SEC. 2. CONGRESSIONAL FINDINGS AND PURPOSE.**

7       (a) FINDINGS.—Congress finds the following:

8              (1) The fiscal crisis faced by the Federal Gov-  
9 ernment demands immediate action.

1                   (2) The dramatic growth in spending and debt  
2       in recent years threatens the economic and national  
3       security of the United States:

(B) Total Federal debt exceeds \$19,000,000,000,000 and is projected to increase each year over the next 10 years.

15 (D) Interest payments on this debt will  
16 soon rise to the point where balancing the  
17 budget as a matter of policy is beyond the reach  
18 of Congress.

23 (b) PURPOSE.—The purpose of this Act is to address  
24 the fiscal crisis by—

- 1                         (1) acting quickly to balance the Federal budg-  
2                         et and eliminate the parade of deficits and bal-  
3                         looning interest payments;
- 4                         (2) achieving balance by reducing spending 1  
5                         percent per year until spending equals projected  
6                         long-term revenues; and
- 7                         (3) reforming entitlement programs to ensure  
8                         long-term fiscal stability and balance.

9                         **SEC. 3. ESTABLISHMENT AND ENFORCEMENT OF SPEND-  
10                         ING CAPS.**
